A photograph of a conference stage. A man with a beard and glasses, wearing a light-colored shirt and jeans, stands on the left side of the stage, gesturing with his right hand while holding a microphone in his left. He is positioned in front of a large screen displaying a colorful abstract graphic. To his right, a long line of people, mostly men, stands on a brick-paved floor, waiting to enter or exit through a glass door. The background shows the interior of a large building with wooden beams and purple lighting.
